Company Profile

White Press Academic is committed to empowering researchers and librarians around the world. Based in the USA, White Press Academic Company was founded to meet the need of authors who, while wishing to benefit from this burgeoning new market, prefer to let a professional and knowledgeable publisher take care of their publishing requirements. Since our inception, we have helped many authors to get their books printed and many are choosing us to publish all of their titles.

We have a wide range of Life Sciences and Bioscience books including Agriculture & Agronomy, Botany, Biochemistry & Molecular Biology, Aquatic Sciences, Animal & Veterinary Science, Food Science, Entomology, Environmental Science, Genetics & Genomics, Microbiology, Zoology and many more.

Our books are designed carefully and attractively by our experts to make learning an interesting, creative and fun-filled experience.
